The Exclusive Wooden Bathtub Collections from Bagno Sasso

By [admin](#)

Ocean Shell Luxury

Wooden Bathtub

Displayed in showroom [Bagno Sasso](#), Landquart, the OCEAN Shell bathtub is a genuine, premium

product and it is particularly impressive, due to its unique shell shape, as well as its remarkably elaborate production process. Selected technology from Formula 1 is a source of inspiration in the creation of this bathtub, and true high-tech components further enhance it. Each and every model is indisputably unique, as all tubs in the OCEAN range are handcrafted to ensure the creation of an exclusive wooden structure. Other types of wood can be used upon request, so that you are able to create your own special tub. This special tub is surrounded by a bed of gravel, which is designed to prevent the tub from overflowing. A system, which has been developed with a lot of dedication to detail, ensures that the water is able to drain freely. The OCEAN Shell tub is available with or without the gravel bed. I hope that your wishes and desires will be fulfilled, so that you are able to obtain the perfect tub for you from Bagno Sasso. This bathtubs can be found, amongst others, in luxury apartments, in honeymoon suites, in yachts, and in palaces.
